Some facts about the Stacks project

Pieter Belmans

July 31 2017

July 5, 2005 Idea for the *Stacks project*

July 5, 2005 Idea for the *Stacks project*

May 21, 2008 first commit: 70 pages

July 5, 2005 Idea for the *Stacks project*

May 21, 2008 first commit: 70 pages

May 16, 2009 implementation of tags system, and tag lookup system

July 5, 2005 Idea for the *Stacks project*

May 21, 2008 first commit: 70 pages

May 16, 2009 implementation of tags system, and tag lookup system

May 4, 2012 Johan looks for a volunteer for a new website

July 5, 2005 Idea for the *Stacks project*

May 21, 2008 first commit: 70 pages

May 16, 2009 implementation of tags system, and tag lookup system

May 4, 2012 Johan looks for a volunteer for a new website

July 19, 2012 new website goes live

History

July 5, 2005   Idea for the *Stacks project*

May 21, 2008   first commit: 70 pages

May 16, 2009   implementation of tags system, and tag lookup system

May 4, 2012   Johan looks for a volunteer for a new website

July 19, 2012   new website goes live

February 3, 2016   5000 pages

History

July 5, 2005	Idea for the *Stacks project*
May 21, 2008	first commit: 70 pages
May 16, 2009	implementation of tags system, and tag lookup system
May 4, 2012	Johan looks for a volunteer for a new website
July 19, 2012	new website goes live
February 3, 2016	5000 pages
July 9, 2017	6000 pages

Usage

citations:

MathSciNet 127 citations

arXiv 85 citations in 2017 alone
